**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kurt on Rohlfs.

The claims are amended as follows:

Claims will be 20 – 28 cancelled.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: the prior art fails to teach a method for displaying programming information comprising a first time, where first time is the earliest time displayed on the display in response to a first signal, and a second time, said second time being a later time displayed on the display in response to the first signal and a time incrementally earlier than an end of a time range associated with a first panel, selecting a second record in response to a third signal from said user interface, displaying simultaneously with said video a second panel, said
